

Becky Novak is the administrator of Exceptional Child Center, DBA Center for Independent Living (CIL). She is a native to the Magic Valley. She has worked in the field serving the DD population since August of 1990. She has filled many positions starting with direct care, working through managerial positions even taking part in opening an eight bed ICF home. Becky has worked closely with advocacy groups and providers throughout the state of Idaho to protect the rights and services of adults and children. Currently, she supports CIL efforts to achieve quality services including Developmental Therapy, Supported Living, Adult Day Health, and Vocational Services.
