

I am the co-owner of Access Behavioral Health Services, Inc., providing full behavioral health services to individuals in Boise and Nampa. I have been affiliated with the IACP (previously MHPAI) since 1998. I am passionate about advocating for our industry and clients. It is my goal to ensure that quality services are available to participants in a variety of settings, providing people with the opportunity to maximize their life potential. I am an Idaho native with 25 years of experience providing behavioral health services.
