

# IACP

Idaho Association of  
Community Providers

IACP dues are based on your agency's gross annual revenue. This only include revenue generated by IACP-represented provider types, regardless of which provider type you're participating under. Provider types include the following:

- Supported Living
- Behavioral Health
- Case Management
- Developmental Disability Agency
- Community Supported Employment
- Substance Abuse
- Certified Family Homes

Each new member must select the provider type for which they will maintain voting rights. Members are able to participate in as many subgroup meetings as desired, but can only vote on behalf of one provider type.

## **2023-2024 Dues Tiers**

<b>Revenue</b>	<b>Dues</b>
\$0-150,000	\$300
\$150,001 - \$200,000	\$350
